

## THE OPERATION

**THE GOVERNMENT OF CATALONIA WILL TAKE LEGAL ACTION:** There will be a formal appeal to the Supreme Court regarding incidents reported by Catalans who were not able to vote. Prior the elections, there were three formal requests issued by the Catalan Government calling on the Central Electoral Commission to extend the voting period. These requests were denied, which subsequently attests their justification.

**A CALL TO ALL CATALANS LIVING ABROAD.** If you have had any complications to exercise your right to vote, let us know at [eleccions.governacio@gencat.cat](mailto:eleccions.governacio@gencat.cat)
