

"I propose we create a chain of confidences until Catalonia becomes a full-fledged independent state"

What has brought us here?

THE APPROVAL OF THE GOVERNMENT PROGRAMME

- ✓ To make a fairer, safer, healthier, cultured and more equal country
- ✓ To ensure economic recovery and higher employment
- ✓ With high quality democracy and transparency
- ✓ And continue the process to construct Catalonia as a State

THE REJECTION OF THE 2016 BUDGET, AIMED AT

- ✓ Reducing waiting lists in Catalan hospitals for operations and long-term care for elderly and disabled patients
- ✓ A call for 400 posts in the Catalan national police force
- ✓ Fighting against energy poverty and child poverty
- ✓ Improve for roads and public transport

...

"Either we approve the budget or I will call for elections"

WHAT HAS THE GOVERNMENT DONE UNTIL NOW?

- ✓ Strengthened the productive model with the National Agreement for Industry and dual Professional Training
- ✓ Improved the economy and reduced unemployment
- ✓ Law on Climate Change and the National Pact on Energy Transition
- ✓ Protected our healthcare model, established a Tax Agency and developed the Law on Transparency

...

EXCEPTIONAL LEGISLATURE

"We want to become a State"

"We must go from exceptionality to exceptionality until we reach final normality"

"We are open to negotiations. This offer does not expire, but it will not paralyze us. The 18-month programme and the fundamental pillars of the political process remain intact and we will call the citizens to the ballots so that they, with their vote, can proclaim independence"
