

*“Do not be ashamed of our concurrences, even if they happen to be with political groups that think very differently on larger issues. [...] Our project is for the country, not the Government”*

*“The 2017 budget will include a call for 7,000 public jobs, consisting of 2,500 doctors and nurses, 2,000 teachers, 500 Mossos d’Esquadra, 150 fire-fighters and 300 tax agency employees”*

*“In the previous budget, public spending reached 73.6%, the highest percentage on record”*

*“These are transcendent times in our history. Unlike other periods and important moments, however, today’s decisions will be made by voting. The future of Catalonia must be decided through the vote of the Catalans, for the good of all of us and the good of our children”*
