

The Catalan Government increases its development aid budget by 65%

The increase in budget strengthens the Government's development cooperation policy, further integrating it into Catalonia's external action

The Annual Plan improves the capacities of Catalonia's development cooperation actor with a new multi-annual call

Catalonia's Official Development Assistance now stands at €30.2M, while the Catalan Agency for Cooperation doubles its budget and reaches €17.9M for 2017

A breakdown of the 2017 Annual Plan for Cooperation Development

€30.2M
