

With these three new delegations (Portugal, Central Europe and the Baltic countries), **the Catalan government is strengthening its external action in three strategic zones and putting an end to the effects of the application of Article 155.**

The delegations are expected to open in the third quarter of 2019

At this point, Catalonia has 12 delegations that are either operating or have designated representatives.

**The external action of the Catalan government now reaches**

**29 countries around the world**
