

A country on the move, a country that's ready

Taking stock of the first year of the mandate

A reactivated country

Recovery of institutions after Article 155 and economic revitalisation after the crisis

A country of equality and equity

Advancing towards the goal of ensuring no one is left behind and everyone can pursue their life project in Catalonia

A vibrant country

Filling counties with life and opportunities for everyone and striving for territorial balance and sustainability

A country that's ready

Positioning Catalonia as a hub of knowledge, training, innovation and leadership of technological change to improve living standards

A global country

Having our own voice in debates and on global challenges, because all of us, young and old, have a responsibility to improve conditions on the planet

A fair country

Ensuring that the public administration treats citizens fairly to guarantee equal opportunities

A far-from-normal year

- 1 Oct. referendum
- 27 Oct. declaration
- Article 155
- Judicialisation of politics
- Repression

Obstacles that don't change

- Unsustainable fiscal deficit
- Debts owed by Spain
- Chronic shortfall in infrastructure investment
- Recentralisation

How do we do it?

Rigorous management

- Fiscal stability
- Abandonment of regional liquidity fund (FLA)

Social budgets as driver of republican change

Dialogue and consensus

- With the territory
- With the state
- With sectors (firefighters, doctors, teachers, etc.)

Republican values
