

The plan has been developed with **input and backing from citizens, professionals and expert bodies**, and based on close study of anti-corruption initiatives at the state and international level

The strategy establishes
25 measures
to be implemented in
2 years

All Catalan government ministries were involved, and the plan will be applied in an integrated way to deliver **benefits in the short term**

The strategy moves forward in all key areas to **fight corruption** and promote public integrity

Key measures

WHISTLEBLOWER PROTECTION

New regulations on the whistleblower system in cases of corruption

Fully anonymous complaints mailbox

TAX MEASURES

Collaboration with the Tax Agency and *Mossos* (Catalan police) to detect cases of corruption

Training in this area for *Mossos*

TRANSPARENCY

Schedules of public meetings of senior technical staff

Public professional information for positions of responsibility

PUBLIC MANAGEMENT

Processes for selecting management staff based on merits and capabilities

PUBLIC PROCUREMENT

More resources for procurement and financial management bodies

Greater emphasis on merit and capability in selection of public management staff

WE'RE FIGHTING CORRUPTION AND INCREASING TRANSPARENCY AND GOOD GOVERNANCE
